

Iniziative Industriali S.p.A.

**PRESS RELEASE
NEW STRATEGIES FOR 2012**

Rome, June 13th 2012

Over the last few months Iniziative Industriali has been awarded the supply of GRP piping for two important desalination projects, with MED and RO Technology respectively, in Yanbu , Saudi Arabia and Az Zour, Kuwait, for a total amount of over 2.0 m\$, that will be delivered over the next couple of months.

Other two important desalination projects in the Middle East are currently being executed and delivered from our Italian factory of S. Luce. Under the contract we are also responsible for the erection, under our full responsibility. The project foresees the supply of over 2.5 km of UG pipelines DN \geq 2000 mm for a total contract amount of over 8.6 m€.
